SPEED PACKS

SPEED PACK	STAY CONNECTED As per NBN Co 1st speed tier	SOCIAL As per NBN Co 2nd speed tier	MULTIMEDIA As per NBN Co 4th speed tier	MULTIMEDIA eXtream As per NBN Co highest speed tier
COST	\$0 – included on the \$39.99 naked broadband plan	\$0 – all other plans are inclusive of the social speed pack	\$10 extra per month	\$20 extra per month
DESCRIPTION	Created for small households wishing to use the internet for instance for browsing, online shopping and paying bills.	For those wishing to do more than Stay Connected, Social is designed for small households who like their social media or where more than one user wishes to be online at the same time.	Multimedia is designed for households with multiple users frequently accessing data hungry applications (such as downloading movies and music or streaming live concerts and TV).	Multimedia eXtream is created for households with multiple users online at the same time or for power users accessing data on multiple devices at the same time.

All plans are inclusive of the Optus Residential Wi-Fi Gateway, free installation plus no set-up fee (valid until 12th January 2012 under the existing NBN Co trial agreement).
