

\$80 200GB Broadband Plan – 24 Month Contract

(from 7 May 2017 \$80 200GB BB (Now UL))

Information about the service

Description of the service

This is a Fixed Broadband Service and provides a 200GB data allowance per month for use in Australia which may be supplied using our Cable or ADSL2+ Direct networks, from 7 May 2017 monthly data allowance will be unlimited.

Minimum term

The minimum total cost is **\$2,010** (including **\$70** connection and **\$20** delivery fee) on a 24 month contract when you pay by direct debit. You can get this plan on a 12 month contract if you are an existing customer when recontracting. The minimum total cost is **\$960** on a 12 month contract when you pay by direct debit.

Optus broadband availability

Optus Broadband service is not available in all areas or premises, or in NT and TAS.

The broadband service offered will be determined by what is available at your location. The services offered are Cable or ADSL2+. There may also be technical or commercial reasons that affect our ability to connect a service at your address. To check your serviceability visit

optus.com.au/serviceabilitycheck

Usage Types	Amount (Inc. GST)	Included benefit?
Data usage in Australia:		
Monthly data allowance	200GB – From 7 May 2017 monthly data allowance will be unlimited	✓

Charges for other usage types can be found at optus.com.au/standardagreements

Bundling arrangements

You don't need to bundle this plan with any other Optus Service. However, you might be able to get additional discounts if you have another Optus Service.

Equipment needs

You need a compatible broadband modem to use this service. The modem must be an Optus approved device. If you are a new Optus Broadband customer we will provide you with a WiFi modem at no additional cost.

Please ensure you inform us if you use equipment such as disability or medical services or back-to-base alarm. Some equipment may require an alternative service or additional equipment. We will tell you if we are not able to support the equipment.

An Optus DOCSIS 3.0 Modem is required to utilise Optus Premium Speed. Please see optus.com.au/systemcompatibility

System requirements

To use the Optus Broadband Service you need to make sure your computer is compatible. Please see optus.com.au/systemcompatible

Optus Fair Go Policy

The Fair Go Policy ensures that all our customers can access our services, and do not use our services in a manner that we consider 'unreasonable' or 'unacceptable', including, but not limited to 'non-ordinary' or 'commercial purpose use' of this plan. The policy also sets out your responsibilities when you use the internet, including any content which you publish online or by email.

It also confirms steps we may take to ensure and monitor compliance with this policy as well as setting out our responsibilities to comply with directions from regulatory and other law enforcement bodies. You can find the policy at optus.com.au/acceptableuse

Special promotions and value added services

This summary doesn't include any special promotions or extra value added services (bolt-ons) that you select whilst you have this broadband plan.

A **\$2.20** paper invoice fee will be charged each month if you choose to receive a paper bill. For online billing or to request an email bill go to optus.com.au/myaccount

If we change your access method, you must provide all reasonable assistance to enable the change to be implemented, including access to your premises and equipment.

Unless otherwise agreed with you, we will not charge you for installing or equipment we supply to you to use with the changed access method. Alternatively, we may ask you to change your access method during your minimum term even if the change may have a detrimental impact on you that is more than minor.

If you refuse our request, we may cancel the service by giving you at least 90 days' notice. If the service is cancelled, you will be liable for charges incurred up to cancellation, but you will not be liable for any cancellation fee or outstanding equipment charges.

We will contact you to discuss the details of any changes we plan to make to your access method prior to making the change.

Other information

Customer service

You can call **133 937** for assistance on your account balance, usage status, payment details and other information at any time.

For other assistance and account information, see optus.com.au/customerhelp

Tracking your spend

You may be able to track your phone unbilled usage by visiting optus.com.au/myaccount If you are unable to do this you can contact our customer service team for information on your usage status.

Customer complaints

You can contact our complaint resolution area by calling us on **133 937**. We encourage you to contact us first so that we can try to resolve your complaint straight away. If you're not happy with the outcome, you may also contact the Telecommunications Industry Ombudsman on **1800 062 058**.

Changing the access method

We may change the access method for your service for the remainder of your minimum term and move you to:

- A new plan that is reasonably comparable with your current plan; or
- An alternative plan, but only if we take reasonable steps to address any detrimental impact that the change may have on you that is not minor.
