Devices

You need a compatible mobile phone device to use with this plan. You may bring your own compatible device or you may be given the opportunity to buy a compatible device from us with this plan on a device payment plan and pay for it over a selected term by interest free monthly payments. You'll need to remain on an eligible plan for the term of your device payment plan. If your plan or your device payment plan is cancelled, you'll need to pay out any remaining device payments in full and any applicable device credits or discounts will be forfeited.

What's included

Monthly inclusions set out in the table above and included usage types are outlined below:

- Standard national talk & text**
Included value can be used for calls, SMS and MMS in Australia to standard Australian numbers, calls to 13/1300/1800 numbers, voicemail retrievals/deposits and voicemail diversions.
- Monthly data**
This plan includes a data amount as specified in the table above for use in Australia. This plan does not share data with any other Optus mobile or mobile broadband plan. If you use more than your included data, data usage on this plan will be slowed to a maximum of 1.5Mbps until the start of your next payment cycle, unless you purchase extra data. Slowed data speeds (maximum of 1.5Mbps) are suitable for general internet browsing and music streaming, however, some activities such as video streaming may see increased buffering and loading times. Any unused data expires at the end of each payment cycle. Data is counted in kilobytes, and includes uploads and downloads.

What's not included

Your monthly standard national calls, text and data cannot be used overseas and do not include calls to directory assistance, video calling, premium numbers or content charges. For details of those charges please refer to your pricing plan in the Mobile standard agreement found at optus.com.au/sfoa

You cannot make outbound calls or send SMS/MMS from Australia to international numbers on this plan unless you purchase an international calls/SMS add-on. You cannot make use of mobile premium services on this plan.

Special Promotions and Extras

This summary doesn't include information on special promotions or optional extra services (bolt-ons/add-ons) that you may access with this plan. Charges may apply to optional extras, including entertainment services. By signing up to an optional extra, you agree that it is subject to change. We'll try to give you at least 21 days' prior notice of a change, however, this does not entitle you to terminate your plan. Optional extras can be cancelled at any time; you just need to pay for any charges until the end of your payment cycle.
