

# Roam when you want to *yes*

**With optus Autoroam it's easy to use your mobile phone overseas.**

With Optus AutoRoam you can make and receive calls in over 170 countries as easily as if you were at home. Your mobile number stays the same, so that you know you can be contacted. And your call charges are billed back to your Optus account in Australian dollars, so there's no confusion.

**Stay connected in more places** - With over 360 roaming partners in more than 170 countries, Optus helps you keep in touch when you're travelling. Use the tables in this brochure to see countries and roaming rates or visit our website at [optus.com.au/business/roaming](http://optus.com.au/business/roaming)

**Familiar products and services** - Use your Optus mobile for voice calls and to send and receive SMS while you're away. And many countries also support video-call roaming, MMS and Data Roaming.

## International Autoroam zones

To understand the rate that will apply when you are roaming find the zone of your destination country in the table below and then refer to the Zone Rate Table overleaf to find out the rate for the zone you are roaming in.

| Autoroam zones |                   |                              |                   |                    |                      |                    |                 |
|----------------|-------------------|------------------------------|-------------------|--------------------|----------------------|--------------------|-----------------|
| Zone 1         | Zone 2            | Zone 3                       | Zone 4            |                    | Zone 5               |                    |                 |
| American Samoa | Botswana          | Algeria                      | Liechtenstein     | Anguilla           | Mauritius            | Afghanistan        | Latvia          |

## International Autoroam rates

When you call from overseas the following rates apply for the zone you are roaming in.

When someone calls you (from Australia or overseas), they will be charged their normal cost of a call to an Optus Mobile in Australia, and you will be charged at the zone rate for receiving the incoming call.

| Country Zone Rate Voice Calls                                                       | Zone 1                            | Zone 2 | Zone 3 | Zone 4 | Zone 5 |
|-------------------------------------------------------------------------------------|-----------------------------------|--------|--------|--------|--------|
| To make voice calls to numbers within the same country* (National Call)             | \$0.65                            | \$1.30 | \$1.65 | \$1.90 | \$2.10 |
| To make voice calls to numbers outside the country you are in* (International Call) | \$1.40                            | \$2.35 | \$3.50 | \$5.80 | \$6.60 |
| To receive voice calls* whilst roaming                                              | \$0.95                            | \$1.10 | \$1.45 | \$1.65 | \$1.80 |
| To make video calls to numbers within the same country* (National Call)             | \$1.25                            | \$2.00 | \$2.50 | \$3.00 | \$3.50 |
| To make video calls to numbers outside the country you are in* (International Call) | \$2.75                            | \$3.30 | \$4.75 | \$5.95 | \$6.75 |
| To receive video calls*                                                             | \$1.00                            | \$1.25 | \$1.50 | \$1.75 | \$2.00 |
| Flagfall (per outgoing voice and video call)                                        | \$0.40                            |        |        |        |        |
| To call Optus Customer Care whilst roaming +61 2 8082 5678                          | \$0.50 per call                   |        |        |        |        |
| To send an SMS to an Australian number whilst roaming                               | \$0.55 roaming fee                |        |        |        |        |
| To send an SMS to a non-Australian number whilst roaming                            | \$0.55 roaming fee                |        |        |        |        |
| To receive an SMS whilst roaming                                                    | \$0.00                            |        |        |        |        |
| To send an MMS to an Australian number whilst roaming^                              | Standard MMS rate + \$0.02 per KB |        |        |        |        |
| To send an MMS to a non-Australian number whilst roaming^                           | Standard MMS rate + \$0.02 per KB |        |        |        |        |
| To receive an MMS whilst roaming^                                                   | \$0.02 per KB                     |        |        |        |        |
| Data per KB^                                                                        | \$0.02 per KB                     |        |        |        |        |

\* Rates above are shown per minute and charged with an initial increment of 60 seconds and subsequent increments per 30 seconds.

^ Charged in 10 KB increments or part thereof All rates listed as in \$AUD GST does not apply to international roaming charges. (With the exception of the standard MMS rates). Data Roaming requires compatible handsets/devices to use. To make and receive video calls, both calling and receiving parties require a 3G handset and must be located in a 3G coverage area on a network that supports video calling. For a list of networks that support data and video calling, please refer to [optus.com.au/business/roaming](http://optus.com.au/business/roaming)
