Insurance details

The Policy is issued by Optus Insurance Services Pty Limited (ABN 12 005 711 928) AFSL No. 247379 (Insurer) and can be arranged by Optus Mobile Pty Limited (ABN 65 054 365 696) (Optus). You may contact Optus or the Insurer on 133 937, or by writing to PO Box 53 Collins Street West, Melbourne VIC 8007.

The full terms, conditions and exclusions applying to your Policy are set out in:

- your application;
- this PDS, including the Policy Terms and Conditions;
- any supplementary PDS that the insurer gives to you prior to your contract of insurance starting each month; and
- each Optus bill that includes your insurance premium charge.

Commencement of cover and raincheck periods

The Insurer will issue your Device Protect on the date that your application is received. However, your insurance protection only commences when you receive the Insured Equipment. If you are required to wait for your Optus Device to arrive, you will not be charged any premium for the period of time before it arrives.

If you are an existing Device Protect customer when you enter into a new Optus Device service contract, it will cover your existing Optus Device until you receive your new Optus Device. At this time, cover for your old Optus Device ends.

Significant benefits

Under this Policy, the Insured Equipment will, at our discretion, be repaired, exchanged with a remanufactured unit or replaced with a new unit if:

- it is lost, stolen or accidentally damaged; or
- there is a mechanical or electronic breakdown/failure and the breakdown or failure is not covered by the manufacturer's warranty or consumer guarantee under the Australian Consumer Law.

You are covered for the above losses regardless of where the event giving rise to the loss occurs (that is, anywhere in the world).

The maximum amount payable for any claim is \$2,000 (including GST and the unauthorised usage limit described below) for Standard Devices and \$3,000 (including GST and the unauthorised usage limit described below) for Premium Devices*, less the excess applicable to the claim (as set out below).

When you make a valid claim under your Policy, you will also be entitled to claim for reimbursement of costs incurred as a result of any unauthorised use of the Insured Equipment within the 48 hours immediately prior to you notifying Optus of it being lost or stolen (up to a maximum of \$600 including GST).

*For a full list of Premium Devices, see optus.com.au/insurance. A copy of this list can be obtained from the Insurer on request at no charge.
